PART III—EXPLANATORY NOTE AS TO THE SCHEDULED DISTRICTS IN BENGAL

The Scheduled Districts of Bengal are —

I—the Jalpaiguri and Darjeeling Districts, and	} See Part III of Schedule I to the Scheduled Districts Act, 1874 (14 of 1874), printed in the General Acts, 1868-78, Ed 1909, p 446
II—the Hill tracts of Chittagong,	

THE JALPAIGURI AND DARJEELING DISTRICTS

2 The Jalpaiguri and Darjeeling Districts were erroneously described in the Scheduled Districts Act, 1874, as originally passed, as "Divisions", but the error was corrected by an entry in Part I of Schedule II to the Repealing and Amending Act, 1891 (12 of 1891), printed in the General Acts, 1887-97, Ed 1909, p 331

3 The Scheduled Districts Act has been brought into force in the Jalpaiguri and Darjeeling Districts, and many enactments have been notified for them under section 3 or section 5 of the Act—see Part IV, *post*, p 25

THE CHITTAGONG HILL-TRACTS

4 The Chittagong Hill tracts are only nominally Scheduled Districts the Scheduled Districts Act never having been brought into force in them. These territories are de-regulationised, and a Table showing the enactments in force in them will be found on page 81, *post*

TABLE AND NOTIFICATIONS

5 It will be seen from the foregoing paragraphs that the only Scheduled Districts in Bengal which are not also de-regulationised tracts are the Jalpaiguri and Darjeeling Districts

All the notifications now in force, which have been issued under the Scheduled Districts Act, for declaring enactments to be in force in, or extending enactments to these territories are printed *in extenso* on pages 59 to 77, *post* and such of these enactments as are still in force in these territories are shown in chronological order in the Table on page 57

6 The Table must not be taken to contain a complete list of all the enactments in force in these territories for—

- (1) some enactments have been brought into force in Scheduled Districts by Notifications issued under Acts other than the Scheduled Districts Act e.g. the Elephants Preservation Act 1879 (11 of 1879) which was extended to the Darjeeling and Jalpaiguri Districts by a Notification dated the 19th March, 1880 issued under section 1 of that Act and
- (2) many enactments are in force in Scheduled Districts *proprio vigore*

The rule generally followed in framing notifications under section 3 of the Scheduled Districts Act has been to include in them those enactments only whose application was for some reason open to doubt. In one case (see paragraph 2 of Notification No 308, dated the 3rd March, 1881 *post* page 60) an express clause was

Part III—Explanatory Note as to the Scheduled Districts in Bengal—could

inserted in such a notification, declaring that nothing contained in the notification shall be deemed to affect the operation of enactments not mentioned in it; but this course was not followed in other cases.

7 Columns II and 7 of the table show all limitations on the application of the various enactments entered in the Table which are specifically mentioned in the notifications.

When an enactment is declared in force in, or extended to any place, by notification, it is to be taken as having been declared in force or extended as textually altered by subsequent legislation (if any) up to the date of the notification. This is sometimes, but not always expressed in the notifications themselves, but, whether expressed or not, the repeals and amendments are not noted in detail in column 7 of the Table, except where they are detailed in the notifications. Nor does column 7 show repeals and amendments made after the issue of the notifications.

All repeals and amendments can be traced by referring to the Chronological Tables printed in Vol. I pages x to xxiii, Vol. II, pages i to xv, and Vol. III, pages i to ix or (in the case of General Acts) to Table II of the 'Chronological Tables of the Indian Statutes' published by the Legislative Department of the Government of India in 1909.

8 In printing the notifications set out on pages 59 to 77, marginal notes have been added to show at a glance the territories to which each notification relates and the enactments with which it deals.

PART VI—EXPLANATORY NOTE AS TO THE DE REGULATIONIZED TRACTS IN BENGAL (THE CHITTAGONG HILL TRACTS)

THE expression "de regulationized tracts" means tracts which are exempted from the operation of the general Regulations and Acts and are subject to such enactments only as are specially declared in force in them, either by the Legislature itself or in pursuance of an express power conferred by the Legislature.

2 The only de regulationized tracts of Bengal are the Chittagong Hill tracts—see the Chittagong Hill tracts Regulation, 1900 (1 of 1900), sections 2 and 4 (printed in Vol I, p 789)

3 The enactments which are in force in the Chittagong Hill tracts are (with the exceptions noted in paragraph 4) entered in the Table printed on pages 82 to 89, *post*. As will be seen from the entries in column 8 of the Table, most of these enactments were declared in force by Regulations and some by Acts. Some, however, were likewise declared in force by notification, and all such notifications will be found on page 91, *post*.

4 The enactments in force in Chittagong Hill tracts which are omitted from the Table are those which partially repeal enactments included in the Schedule to Regulation 1 of 1900 but are not mentioned expressly in that Schedule. Such enactments have effect in the Chittagong Hill tracts by virtue of the words, "So much as may, from time to time, be in force in the district of Chittagong" in column 4 of the Schedule.

5 In filling up columns 5 and 6 of the Table, the practice has been as follows —

(1) In the case of enactments included in the Schedule to the Chittagong Hill tracts Regulation, 1900 (1 of 1900), the provisions of section 4 (2) of the Regulation, and the contents of column 4 of the Schedule appended to the Regulation, have been entered in column 5 of the Table, while the contents of column 5 of the Schedule have been entered in column 6 of the Table.

(2) In the case of enactments declared in force by notification, the relevant portions of such notifications are reproduced or referred to in column 5.

6 Since columns 5 and 6, as explained above, show, in respect of each enactment, such particulars only as are given in the Regulation or Notification cited in respect of it in column 8, the effect of any later enactments entered in the Table should be borne in mind when reading the entries in the former columns.

7 It should be borne in mind that when an enactment is declared in force in any place by notification, it is to be taken as having been declared in force as textually altered by subsequent legislation (if any) up to the date of the notification. This is sometimes, but not always, expressed in the notifications themselves, but, whether expressed or not, such repeals and amendments are not noted in column 6 of the Table unless they are detailed in the notifications.

8 All repeals and amendments can be traced by referring to the Chronological Tables printed in Vol I, pages x to xxvii, Vol II, pages i to xv, and Vol III, pages i to ix or (in the case of General Acts) to Table II of the "Chronological Tables of the Indian Statutes" published by the Legislative Department of the Government of India in 1909.
